

ANCIENT COLOR

COLORING BOOK

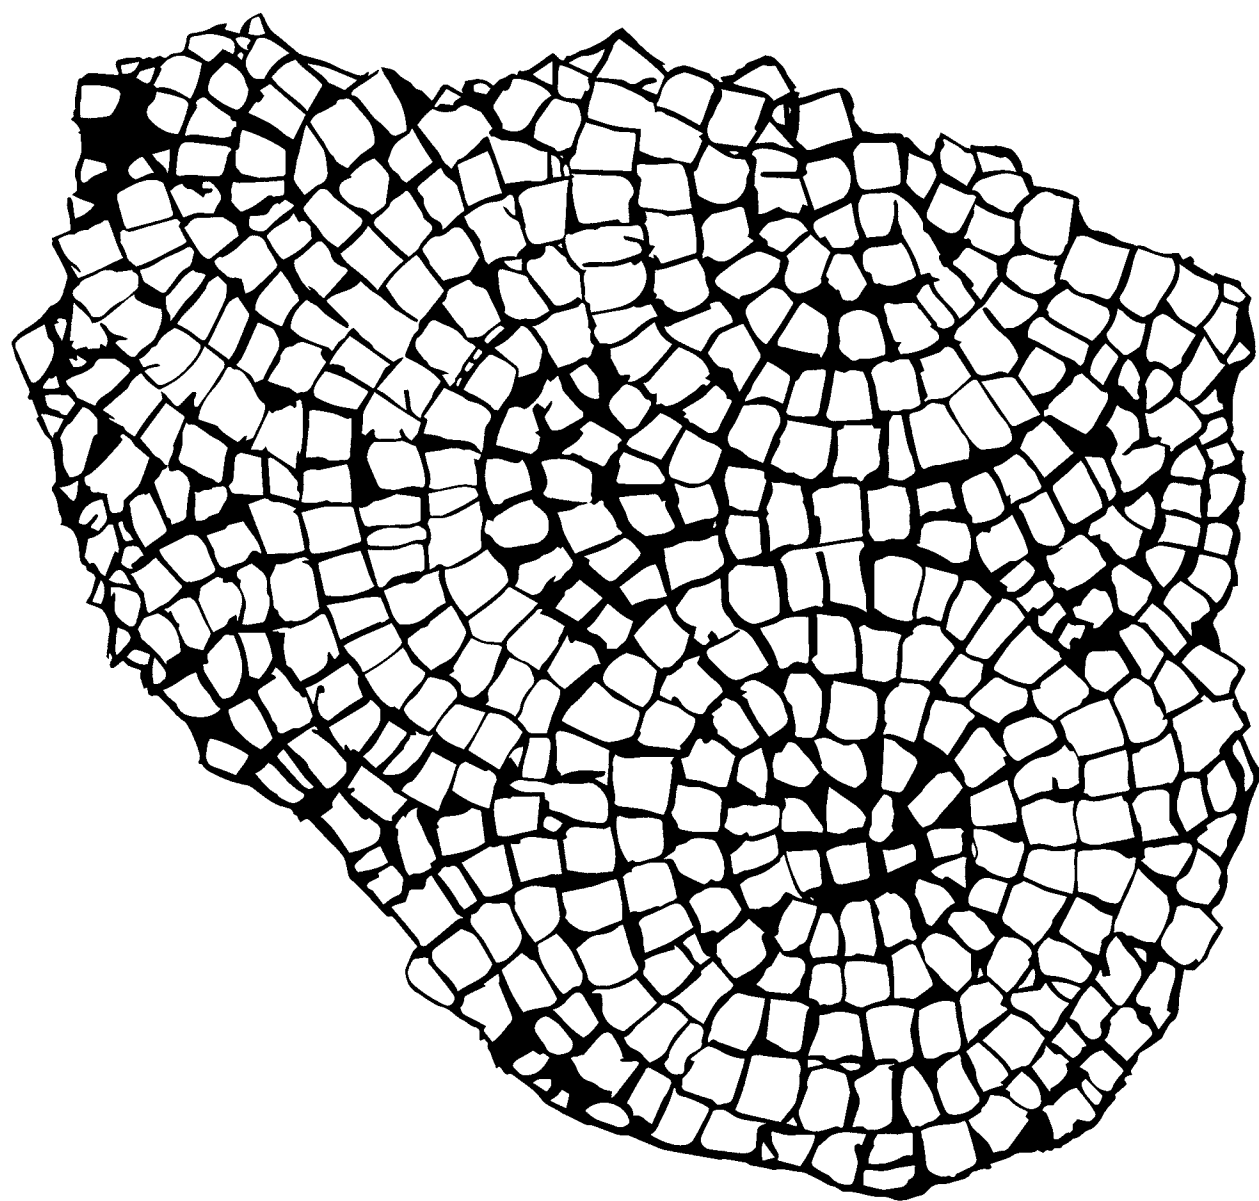

This coloring book was designed in conjunction with the special exhibition *Ancient Color*, on view at the Kelsey Museum of Archaeology February 8–May 26, 2019. The exhibition is curated by two Kelsey Museum staff members: educational and academic outreach coordinator Cathy Person, and conservator Caroline Roberts. The coloring book design and drawings are by Kelsey assistant exhibition designer Emily Pierattini.

The objects featured here are all on permanent display in the Kelsey Museum. The location of each piece is given on the back of its coloring page. A map is provided at the end of the book to help you locate the objects in the galleries, where you can learn more about them. We hope this book encourages you to explore new ways of looking at the objects in the Kelsey Museum.

This publication was funded thanks to the generous donations of our visitors and their contributions to our donation boxes at the museum entrances.
